On behalf of the entire NAMC, we would like to thank outgoing officers: Ervad Jehan Bagli, Ervad Adi Unwalla and Ervad Cawas Desai, for their wonderful leadership, dedication and scholarship to all of us for six long years.

With the help and direction of Ervad Jehan Bagli and Ervad Kerman Katrak, NAMC is proud to announce their brand new website:

[www.namcweb.com](http://www.namcweb.com)

We are planning to make this website a resource for all NAMC communications. One of our goals is to enlist the names and phone numbers and emails (if available) of ALL NA Mobeds for ready reference to all of us. In this respect, we will need all FEZANA Associations' help to help us with the enlisting of these names.

At the request of the new NAMC President and his Executive Board, Ervad Soli P. Dastur is appointed in charge of all NAMC Communications as well as keeping NAMC website up to date.

Please welcome the new NAMC Executive Board!

Love and Tandoorasti, Soli
