Dear Sir*s / Madam:

The Bai Maneckbai Nusserwanji Chenoy Agiary of Hyderabad, which was inaugurated on 16th October 1904 has completed 104 years of its existence serving the Religious Needs of the Parsi Community of Hyderabad & Secunderabad.

The Agiary building, which is in poor shape requires extensive repairs involving substantial expenditure. The Trust is not in a position to carry out the same single handedly due to financial constraints.

*We shall be highly thankful to fellow Zoroastrian*s to help us with a suitable donation to enable us to undertake the repairs to the Agiary which are required to be carried out on priority, to avoid further damage to the Agiary Building. The estimated expenditure to be incurred is Rs.15.00 Lakhs towards part repairs, which, we feel, are absolutely and urgently required*

Thanking You,

Yours faithfully,

MEHERNOSH H. CHENOY
